UNITED
CEREBRAL
PALSY of Hawaii

United Cerebral Palsy Association (UCPA) of Hawaii is a non-profit, volunteer, health organization. The association works to advance the independence, productivity and full citizenship of children and adults with cerebral palsy and other disabilities.

Cerebral Palsy is a condition caused by damage to the brain. It is not a disease, nor is it progressive or contagious. It is not curable in the accepted sense. However, through training and therapy individuals can be helped to achieve their maximum potential growth and development.

UCPA of Hawaii and Savers have teamed up to convert your donation of items into revenues that stay here locally to support the programs of the organization. These programs include:

- Child Development Center
- Social Services
- Public Health Education
- MAC Plus Recreation
- Kuwili Martial Arts Program
